MEDICAL SCHEME

Real value speaks for itself

2025

High-value, silver standard, smartly priced comprehensive benefits.

Silver offers step-up medical benefits for individuals and families who expect more than the usual.

With a high value-for-money rate, this option offers an unlimited hospital plan, enhanced day-to-day benefits and benefits for 29 chronic medical conditions, as well as dental benefits and three extra doctor's visits for your Child Dependants.

It takes everyday benefits and loads them with a silver lining.

SILVER OPTION

	MAJOR MEDICAL BENEFITS	MST (≤)	BENEFIT	EXPLANATORY NOTES / BENEFIT SUMMARY
1	HOSPITALISATION			Pre-authorisation compulsory

		R5 423	R2 918	R1 133	

HEALTH BOOSTER

Health Booster provides additional benefits to members at no extra cost. It is aimed at preventative treatment and therefore gives access to free screening tests.

Only those benefits stated in the benefit structure under Health Booster will be paid by the Scheme, up to a maximum rand value which is determined according to specific tariff codes. Subject to DSPs.

QUALIFICATION

Antenatal classes

Once you have completed the screening tests you will gain access to the Health Booster benefits.

- Pre-authorisation is required in order to access the maternity benefits on Health Booster. Contact the Pre-authorisation Department on 0860 671 060 to obtain authorisation. (Failing to do this will result in the service costs being deducted from day-to-day benefits).
- Verify the tariff code or maximum rand value with the call centre consultant.
- Inform the service provider involved accordingly.
- When claiming for your antenatal vitamins, request that the pharmacist at the dispensary claim the antenatal vitamins electronically from the Scheme or supply the Scheme with a specified paper claim with a valid NAPPI code(s), ICD-10 code, and proof of payment for reimbursement.

SCREENING TESTS

One of the benefits available is the Health Assessment (HA). This assessment comprises the following screening tests:

- Body mass index (BMI)
- Blood sugar (finger prick test)
- Cholesterol (finger prick test)
- Blood pressure (systolic and diastolic)
- Prostate phlebotomy for PSA test

Digital Health Assessment, via SMS

Principal Members and their beneficiaries will be entitled to one Health Assessment (HA), done at any pharmacy, or Digital Health Assessment (DHA), via SMS, per calendar year.

A Health Assessment (HA) form can be obtained at any pharmacy or downloaded from www.keyhealthmedical.co.za.

No authorisation is required for these screening tests.

Results can be submitted by either the member or the service provider and can be faxed to **0860 111 390** or emailed to **disease.management@keyhealthmedical.co.za**.

BENEFIT	WHO & HOW OFTEN		
CHILD BOOSTER BENEFITS

Pre-notification of and pre-authorisation by the Scheme compulsory, 12 visits		

Covered to the value of R2 550 for first pregnancy

BENEFITS OF EASY-ER

No upfront payment required.

Guaranteed payment of the full ER event – in case of an emergency.

Not paid from day-to-day benefits or medical savings accounts.

- Easy-ER offers all KeyHealth members direct access to the closest hospital's emergency room (ER) for medical treatment in emergency situations.
- Easy-ER guarantees full payment without any hidden costs or unexpected fees.

WHAT IS AN EMERGENCY?

An emergency medical condition means the sudden and, at the time, unexpected onset of a health condition that requires immediate medical treatment and / or intervention. If the treatment or intervention is not available, the emergency could result in weakened bodily functions, serious and lasting damage to organs, limbs or other body parts, or even death.

WHAT QUALIFIES AS AN EASY-ER EMERGENCY?

- Motor vehicle accidents
- Sport injuries
- Dental injuries (direct blow to the face / mouth)
- Playground accidents

UNSURE OF WHEN TO GO TO THE ER?

- Contact Netcare 911's 24-hour Health-on-Line service on 082 911 to speak to a registered nurse about medical advice, information and your KeyHealth Easy-ER cover.
- Visit **Netcare 911**'s website **www.netcare911.co.za** for information on first aid, emergencies, childhood illnesses and baby / child safety.

DENTAL EMERGENCIES

- In a dental emergency, if a tooth is broken or knocked out, Easy-ER guarantees the payment of all dental treatment needed to restore the damaged tooth to functional use.
- In the case of such a dental emergency, the beneficiary can go directly to the dental practitioner for treatment.

IMPORTANT

- Easy-ER is available to ALL KeyHealth members.
- The Easy-ER benefit does not include pharmacy or medical appliance claims, follow-up consultations and follow-up radiology and pathology tests.
- Any further hospitalisation needed, after emergency medical treatment, will be covered under the normal in-hospital benefit.
- If emergency transport is needed (e.g. ambulance services), KeyHealth's emergency transport provider, Netcare 911, must be called on 082 911.
- Access to emergency treatment at the closest hospital's emergency room (ER) is guaranteed on confirmation of KeyHealth membership by a Client Service Centre agent.
- Not all visits or consultations at the hospital's emergency room will be funded from the Easy-ER benefit, as benefits are approved for bona fide emergencies only.

SMART BABY PROGRAMME

GUIDANCE WHEN YOU NEED IT MOST

KeyHealth's Smart Baby Programme offers support and general advice on health and wellness during pregnancy and peace-of-mind for mothers- and fathers-to-be.

THE SMART BABY PROGRAMME PROVIDES

- Health Booster cover for short / co-payments for antenatal visits (GP, gynaecologist or midwife), scans and birthing fees.
- Information about KeyHealth's maternity benefits and how to access them.
- The New Baby and Childcare Handbook by Marina Petropulos for first-time parents.
- Information about baby's first year (e.g. vaccinations, Easy-ER, etc.).
- Access to Netcare 911's 24-hour Health-on-Line service on 082 911 for medical advice and information from a registered nurse.

SMART BABY PROGRAMME BENEFITS

The benefits available to mothers (and babies) on the Smart Baby Programme are separate from day-to-day benefits and medical savings accounts.

Antenatal visits (GP / gynaecologist / midwife) and dipstick urine test	12 visits, 1 of which is following baby's birth
Ultrasound (scans)	2 pregnancy ultrasounds
Paediatrician visits (once baby is a registered member)	2 visits in baby's first year 1 visit in baby's 2nd year
Antenatal vitamins	R2 550 per pregnancy
Antenatal classes	R2 550 for first pregnancy

ADDITIONAL SCREENING TESTS

- Haemoglobin (Hb) level at the first antenatal visit then repeated between 28-32 weeks and 36 weeks of gestation
- Bacteriuria at the first visit or at 12-16 weeks of gestation
- Gestational diabetes, screened at the first antenatal visit and again at 28 weeks of gestation (if the initial screening was negative), for mothers who do not have pre-gestational diabetes (i.e. already known to be diabetic)

HOW TO BENEFIT FROM THE SMART BABY PROGRAMME

- Register on the Smart Baby Programme as soon as the pregnancy is confirmed.
- Make use of KeyHealth's Designated Service Provider (DSP) network of hospitals and specialists to avoid short payments.
- Make sure the DSP hospital and / or specialist clearly indicates the relevant diagnosis code (ICD10 code) on claims.
- Verify tariff codes or maximum rand values with the KeyHealth Client Service Centre on 0860 671 050.
- Get pre-authorisation for the delivery after the second trimester (after week 24 of the pregnancy) by calling the Pre-authorisation Department on **0860 671 060**.
- Register baby as a KeyHealth dependant within 30 days after birth.
- When claiming for your antenatal vitamins, request that the pharmacist at the dispensary claim the antenatal vitamins
 electronically from the Scheme or supply the Scheme with a specified paper claim with a valid NAPPI code(s) and
 ICD-10 code and proof of payment for reimbursement.

HOW TO REGISTER FOR THE SMART BABY PROGRAMME

- Register using the KeyHealth member app which can be downloaded on Android, iOS and Huawei operating systems, or
- Complete the registration form online at www.keyhealthmedical.co.za

GLOSSARY

GLOSSARY	
Agreed tariff	A tariff agreed to, from time to time, between the Scheme and the service providers, e.g. hospital groups
Chronic Disease List (CDL)	A list of chronic illness conditions that are covered in terms of legislation
Day-to-day benefit	A combined out-of-hospital limit which may be used by any beneficiary in respect of general practitioners, specialists, radiology, optical, pathology, prescribed medication and auxiliary services, and which may include a sublimit for self-medication
DENIS (Dental Information Systems)	A service provider contracted by the Scheme to manage dental benefits on behalf of the Scheme according to protocols
Designated Service Provider (DSP)	A provider that renders healthcare services to members at an agreed tariff and has to be used to qualify for certain benefits
Emergency	An emergency medical condition means the sudden and unexpected onset of a health condition that requires immediate medical treatment and /or an operation. If the treatment is not available, the emergency could result in weakened bodily functions, serious and lasting damage to organs, limbs or other body parts, or even death
Health Booster	An additional benefit for preventative healthcare
Medical Scheme Tariff (MST)	Also referred to as KeyHealth tariff. A set of tariffs the Scheme pays for services rendered by service providers
Optical management	A cost and quality optical management programme provided by OptiClear
Phlebotomy	The process of making an incision in a vein when collecting blood
Physical trauma	A severe bodily injury due to violence or an accident, e.g. gunshot, knife wound, fracture or motor vehicle accident. Serious and life-threatening physical injury, potentially resulting in secondary complications such as shock, respiratory failure and death. This includes penetrating, perforating and blunt force trauma
OTC	Over-the-counter (medication or reading glasses)
MSA	Medical Savings Account
Medication on discharge	Medication given to members upon discharge from a hospital. Does not include medication obtained from a script received upon discharge
pbpa	per beneficiary per annum (per year)
pbpl	per beneficiary per lifetime
pbp2a	per beneficiary biennially (every 2 [second] year[s])
pfpa	per family per annum (per year)
pfp2a	per family biennially (every 2 [second] year[s])
2pfpa	2 per family per annum (per year)

^{*} Disclaimer: Benefits subject to approval by the Council for Medical Schemes (CMS) and although every precaution has been taken to ensure the accuracy of information contained in the benefits brochure, the official rules of the Scheme will prevail, should a dispute arise. The rules of KeyHealth are available on request or can be viewed at www.keyhealthmedical.co.za.
