PACE1 OPTION	COMPREHENSIVE COVER (IN- AND OUT-OF-HOSPITAL)
Savings account/ Day-to-day benefits	Savings account available. Day-to-day benefits are available.

## Method of benefit payment

On the Pace1 option in-hospital benefits are paid from the Scheme risk. Some out-of-hospital benefits are paid from the annual savings first and once depleted will be paid from the day-to-day benefit. Once the day-to-day benefit is depleted, claims can be paid from the available vested savings. Some preventative care benefits are available from the Scheme risk benefit.

Benefits relating to conditions that meet the criteria for Prescribed Minimum Benefits (PMBs) will be covered in full when using designated service providers (DSPs). This will not affect your savings (annual or vested).

## In-hospital benefits

### Note:

- All members must obtain pre-authorization for planned procedures at least 14 (fourteen) days before the event. However, in the case of an emergency, you, your representative or the hospital must notify Bestmed of your hospitalisation as soon as possible or on the first working day after admission to hospital.
- Clinical protocols, preferred providers, designated service providers (DSPs), formularies, funding guidelines and the Mediscor Reference Price (MRP) may apply.

## Maternity care programme

Finding out you are pregnant comes with a whole lot of emotions, questions and information. Sometimes just knowing where to start and which information you can trust can be a challenge.

Pregnant members and dependants have access to the Maternity care programme. The programme provides comprehensive information and services and was designed with the needs of expectant parents and their support network in mind. We aim to give you support, education and advice through all stages of your pregnancy, the confinement and postnatal (after birth) period.

Members need to register on the Bestmed Maternity care programme as soon as they receive confirmation of their pregnancy by means of a pathology test

and/or scan from your GP or gynaecologist. After you complete your registration, a consultant will contact you. If your pregnancy is associated with risks, the information will be forwarded to Bestmed's case managers who will contact you to help monitor your progress.

Please note that registering on the Maternity care programme does not confirm any other maternity benefits nor does it provide authorisation for the delivery as these benefits are subject to the Scheme's rules and underwriting. To enquire about these benefits please contact [service@bestmed.co.za](mailto:service@bestmed.co.za).

### How to register:

Send an email to [maternity@bestmed.co.za](mailto:maternity@bestmed.co.za) or call us on 012 472 6797. Please include your medical scheme number and your expected delivery date in the email.

**After registration on the Maternity care programme, you will also receive the Bestmed Maternity care programme registration confirmation letter, indicating all necessary information as stated below:**

Our third-party service provider, DLA, will be in contact within the next two to three weeks via email, requesting you to complete a registration form. Keep an eye on your inbox (including the spam folder) for this email. Completing this form will ensure you are registered on their database to ensure you receive maternity information, additional support if the pregnancy is identified as a high-risk pregnancy and a gift on behalf of Bestmed after 14 weeks gestation. DLA will guide you through the process of selecting a gift.

The registration form and gift selection form must be returned to DLA directly. The maternity gift will only be sent after week 14 of your pregnancy.

Registration also provides you with access to a 24-hour medical advice line and benefits through each phase of your pregnancy.
